Solution Components:

1. **Vehicle Specific Console Box**
   (Item No. 7160-0327)
   No-drill vehicle specific console designed to blend in with the car's aesthetics. Low profile design allows for emergency passenger side exit. Factory 12 volt and USB/MP3 plugs relocated to the side of the console box. A removable top plate and center plate for easy radio installation and wire routing. Computer can be mounted on top of the console box either centered or off-set towards the passenger. Console box comes with standard faceplates and filler panels (full faceplates must be ordered separately).

2. **Motion Attachment - Quad Motion TS5**
   (Item No. 7160-0285)
   Motion Attachment has tilt capabilities up to 90° forward/30° backward and can swivel up to 60° right/60° left on two different pivot points and can slide up to 5.0" forward/backward.

3. **Armrest and cupholder**
   (Included with console box 7160-0327)
   The Armrest is height adjustable for better ergonomic positioning. The padded armrest flips up to allow access to the console box or cupholder if needed. The internal cupholder holds two cups and is compatible with most cup sizes.

Accessories:
Gamber-Johnson offers a variety of accessories for the console box including full faceplates, LED lights, mic clips, cigarette adapter kits and power distribution blocks. (These are not included in the Packaged solutions, must order separately)
